NSR Initiatives and Developments

- ☺ **Waiver of AUF Arrears for registered professionals:** NASSCOM and NDML have waived off Annual Usage fee arrears and have extended free usage till 2011 to all registered professionals. Professionals now can update his / her profile or authorize companies to view the profile (although present employer company would have no problem)!!!!

- ☺ **NSR Newsletter:** In line with the continuous effort of creating more NSR awareness and sensitization among registered professionals and facilitating them to access and update their profiles, NSR Newsletter has been sent (Copy attached).
- ☺ **Updation of Profiles of registered professionals:** It was reported by companies that in some cases the complete details are not available on the profile of registered professionals such as an education or employment record and hence it becomes difficult to conduct verification on the same. In order to resolve this issue NSR team conducted a Gap analysis exercise to ascertain the completeness of profiles and emails were sent to all such Knowledge Professionals (KPs) where educational or employment information was not available on the profile.
- ☺ **NSR Sensitization among Colleges:** NASSCOM has sent NSR sensitization letters to more than 300 engineering colleges (copy attached). The letter and the presentation attempts to inform the college authorities and college students about NSR system and its usage by the industry.
- ☺ **Updation of background check reports for registered professionals:** TCS has also started sharing employee background check reports for upload on NSR.
