NSR Registration Process
## Website
https://nationalskillsregistry.com

Kindly use **Digilocker KYC**, **Aadhaar XML KYC** or **Video KYC** process for completing your NSR registration. This is a completely online process requiring only Internet facility and you do not need to travel anywhere. NSR registration process is completed when you receive your 12 digit ITPIN Professional Identification Number (**ITPIN**) from NSR system and you login and download your NSR Electronic Card using the **Request for - Generate NSR e-Card** option from your ITPIN based login on NSR site. Provide your ITPIN to your company HR**.**

Write to us at nsr@nsdl.com for any assistance.

Important: NSR registration requirements

❑ Use Google Chrome browser for NSR registration

❑ Use Windows computer (laptop or desktop) or Mobile Phone with Android OS.

❑ Do not use Apple (MAC) computers or iPhone mobiles since certain applications may not work on such devices.

❑ Ensure **Cookies are allowed** on your Chrome browser before you start NSR registration process. For this **click on the three dots in top right corner**, go to **Settings** and **Cookies and other site data** to **Allow** cookies for your browser
